

2018 BTCO GROOMING DAY

An Educational and Fun Event for all Border Terrier Owners

The Border Terrier Club of Ontario (BTCO) will be holding its annual hands-on grooming day on Sunday, February 11th, 2018 for anyone who wants to learn, practise or share skills in basic coat stripping and grooming for border terriers. This is a great way for any border owner to gain experience at this informal working session - bring your border(s) and any equipment you are currently using. Never done stripping before? Don't know what tools are available or how to use them? No problem. Experienced club members can show you what they use and how to get started. Extra grooming tables will be available at the venue.

Come and meet other border terrier owners, learn about club membership and upcoming activities, and enjoy a wonderful, educational day while you "work" on your own border. Or just come and watch and learn.

Date/Time: Sunday, February 11th, 2018 - 10:00a.m. to 3:00p.m.

Location: Club President Bev Ferguson's place (in the outer building) at 4238 Baseline Road, Sutton, Ontario

Pizza and pop/water lunch provided.

Free to BTCO members

\$10 for non-club members (payable at the event)

For questions or directions contact club secretary Barb Hathorn at barbara.hathorn@rogers.com

Feel free to forward this event information to anyone you think might be interested.
