

Judge's Critique for BTCO Sweeps 2011

Norm Baker

This has been a difficult chore. I've started it several times but can't seem to get it right. The entry was small but the quality of the entire entry was exceptional. Judging was very difficult as the boys were similar in type. The girls were even more difficult. The point I'm trying to make is that there were no great differences in type etc. As I said at the dinner, I found myself making the same comments for each entrant. When I got home and played the tapes it was obvious that this was the case. I felt the folks in Canada are doing a great job with their breeding programs. I did feel that all but two lacked length of loin.

Junior Puppy Dog All had good coats and were properly groomed.

1st Duets On Your Mark He had a good length of loin with a beautiful top line. Nice arched neck and good head. Very eye catching. Well handled and trained.

2nd Otleys Blue Rodeo Just a little short of the 1st place boy. Nice head, top line, and latitude. Well trained and showed well.

3rd Meadowlake Black Muddy River A very nice boy, again good top line and head. Showed well and he too had great latitude.

Junior Puppy Bitch All had good coats and were properly groomed.

1st Redgates Beacon of Light A nicely put together bitch. Good head, top line and nicely balanced. Racey with good attitude. Nicely trained and showed well.

2nd Ganymede Maktawae Twilightsong Very little difference from 1st place. She had a good top line, head and attitude. Well trained and shown.

3rd Faireview Double back to Bandersnatch Needs a lot of training. I couldn't make heads or tails of her. Very sweet just didn't know what was expected of her.

12 to 18 Month Bitch All had good coats and were properly groomed.

1st Brighttrain Towzie Tyke Gloria WOW everything the way it should be. I couldn't take my eyes off of her. She had it all. Great profile, She was expertly handled and never quit showing. Moved beautifully and had a real show attitude.

2nd Rosecrest Tamarack Mabeline Gave 1st place winner a run for her money. She too was well handled, trained and had many things going for her. I'm sure she will do well in the future.
